**NEEDHAM SENIOR HIGH SCHOOL**

**Vol. LIII No. 2 Price \$1.00 June, 1953**

**Cover by Bernice Kelman**

## STATE OF THE UNION

The administration of Needham High School is similar to that of the United States government. Mr. Pollard is the President. The heads of departments, and Mrs. Slaney, Mr. Berry, and Mr. Nelson are his cabinet members. Congress is represented by the faculty; and we, the students, are the public. We like to think of our school as a little Democracy. Every student at Needham High School has equal opportunities. We derive from the education offered us as little or as much as we desire. However, the kind of life we will live as adults generally has its basis in our high school years. The student who strives to acquire knowledge, to uphold the reputation of his school, and to gain respect for himself, is usually the happy, successful man or woman of tomorrow. Consequently, we shall endeavor now with earnest effort, so that we may meet worldly problems with ease and grace later. We shall take advantage of our opportunities as citizens of this little democracy, so as to obtain full benefit of our high school education.

## DEDICATION

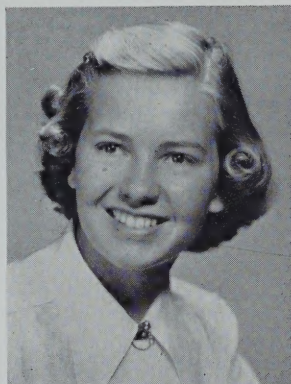

HOWARD C. DAMON

The members of the Class of 1953 of Needham High School dedicate this, our graduation issue, to Mr. Howard Damon. His devotion as our teacher, his wisdom as our adviser, and his wit as our friend have enriched our lives. For our good fortune we are grateful.

## CLASS SONG

We live for those who love us,  
With hearts so kind and true,  
For Heaven that smiles above us,  
And waits our spirit too,  
For human ties that bind us,  
For the task that God assigned us,  
For bright hopes yet to find us,  
And the good that we can do.

We wish to hail that season,  
That gifted ones foretold,  
When we shall live by reason  
And not alone by gold.  
When man to man united  
And every wrong thing righted,  
The whole world shall be lighted  
As God Himself has told.

# SENIOR PLAY

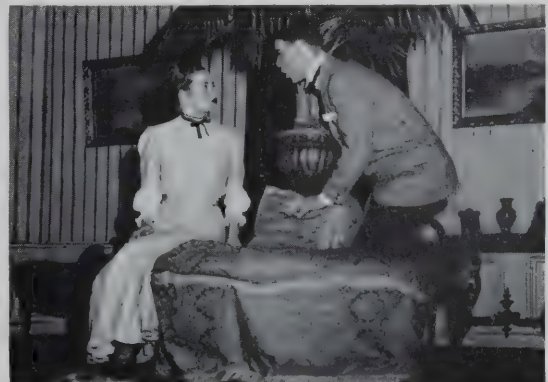

The Class of 1953 presented George Bernard Shaw's *Pygmalion* in all its dignified humor on December 12 and 13. Professionally directed by Mrs. Alexander French, and ably staged by hard-working committees, the production showed the artistry of talent, imagination, and hard work, successfully united.

In a light-hearted wager with Colonel Pickering, Henry Higgins, a speech professor, takes a common flower girl, Eliza Doolittle, from the streets and attempts to make her a lady by teaching her the speech of aristocratic London. Eliza's new speech, manners, and clothes bewilder her, but lend a charm that captures the heart of Freddie Hill when she attends a tea at the home of Mrs. Higgins, Henry's mother. Eliza soon proves herself a lady and Henry wins his bet. Now the problem is what to do with Eliza. Luckily Mr. Doolittle, her father, inherits enough money to provide for his daughter. When Eliza leaves Henry, he realizes how quietly she has received his abuse, how fond he has become of her, and how indispensable she has become in his household. The play ends when Eliza walks out with Henry's laugh echoing, "So, she's going to marry Freddie!"

# MINORITY PARTIES

## JUNIOR CLASS

Every class has its merits, but the class of 1954 especially deserves recognition, not only for the fine exhibition of its ability in school affairs, but also for its willing cooperation with the other classes.

Scholastically, socially, and athletically, the Junior class has already set an example for succeeding classes.

Thomas Hooper, President; Paul Doering, Vice-president; Marcia Salamone, Secretary; and Joan Richardson, Treasurer, warrant

hearty praise for the splendid leadership they have displayed. Without the incentive of these capable officers and without the guidance of their advisers, Miss Gates, Miss McKenna, and Miss Kenney, its present standard could not be so high.

Whether it be in the Student Council, sports, or the Moonlight Ball, this class has proved its excellent quality. The marked determination of these juniors indicates that they will continue to strive for even greater goals.

## SOPHOMORE CLASS

The new, hustling, bustling students at Needham High School are the sophomores. They have supported and participated enthusiastically in school activities. Under the guidance and supervision of their class advisors, Miss Harrington and Miss Lewis, the class has been outstanding in their first year of high school.

The Class of Nineteen Fifty-Five is well represented on our teams in sports. Bob Anderson was a member of the football team and was known especially for his ability in punting. In wrestling, Angelo Anzivino, George Seaver, and Burton Lueth performed on the first team. Harold Duvall played

hockey and was an asset to the team. Although the class had no representatives on the first team in basketball, Bob Alaimo and Lee Allen placed prominently on the second team.

The sophomore girls were well represented in field hockey. Mary Beth Girrior, Sally Eaton, Ann Sheehan, Jane Mills, and Barbara Swett made the first team. Martha Johnson and Maureen Jackson represented their class as cheerleaders.

The sophomore class has given evidence of its ability, and if the "55ers" continue their fine work, they will be one of the best classes to graduate from Needham High School.

The Advocate Board has been very successful this year. Although the board never entirely realized how helpful Miss Dodge was until she left Needham High School, the obstacle of her departure was overcome through the able assistance of Miss Florence Durgin, Miss Louise Steele, and Mr. John Ferrett; and through the efficient directing of Linda Hitt, Editor-In-Chief. With the cooperation of all the members the attractive Christmas and June issues were received with enthusiasm by the students.

The meetings of the Advocate Board were held every second and fourth Friday during the organization period. As a typical meeting, Linda Hitt, Editor-In-Chief, called the meeting to order. Judy Swigart read the secretary's

report and took roll call. Then the board heard reports from the various committees; such as the page, theme, and dedication committees. If there was no further business, the meeting adjourned, and the individual boards discussed their assignments.

Sally Hanlon, Make-up-Editor, and Ruth Birch, Photography Editor, and Joan Mueller, Business Manager, were Linda's able assistants. These girls spent many extra hours diligently working to get the material into the engraver and printer "by the deadline."

Each member of the staff tried his hardest to make the material which he submitted his best work, in order to have the yearbook of 1953 tops in the history of Needham High School.

# STUDENT COUNCIL

(1st row left to right) R. Cruickshank, M. Antoni, D. Drew, C. Twigg, C. Gracey, D. Nickerson, V. Wallis, D. Hopkins, S. Macdonald, G. Lenz, D. Rising, W. Rawstron.

 (4th row left to right) C. Cassidy, J. Teele, L. Allen, F. Miller, J. Pelletier, H. Duvall, J. Howard.

The Student Council, under the supervision of Mrs. McCurdy and Mr. Pelletier, has undertaken many practical projects this year. For example, a plan of having a school ring rather than a class ring was adopted. By this system the design of the ring will be the same for each class. The design, it is hoped, will be created by some of our students. Also, in October, the entire student council met with the school committee to discuss common problems of Needham and Wellesley. As a result of this meeting the student councils of the two schools suggested that we exchange assemblies. Students of both schools enjoyed these assemblies greatly, and the Student Council feels that they have taken a stride toward better relations between Needham and Wellesley.

The president of Student Council, Don Nickerson, is also president of the Massachusetts Association of Student Councils. The high school is fortunate to have a president with the experience Don had as representative to the National Convention last June. The other officers are Vice-President, Colin Gracey; and Secretary, Sue Macdonald.

The chairmen of the various committees are: R. Cruickshank, Finance; M. Antoni, Bulletin Board; C. Twigg, Sports; S. Macdonald, Assembly; D. Rising, Rules and Reports; D. Drew, Liason; G. Lenz, Juke Box.

Under the able direction of its faculty advisers, officers, and committee chairmen, the Needham High School Student Council has shown what ability high school students have to govern themselves competently.

Boom, boom, a twirl of batons, a dazzle of bright blue, the brilliance of trumpets, excitement and spirit—it's our band. Our new Musical Director, Mr. Frederick Harris, has brightened the Needham blue. At our rallies, assemblies, and football games, the band, under Mr. Harris' direction, has spirited the students and has boosted the morale of our athletes. The band, which rehearses Monday and Tuesday during organization period, has played at all our football games, the Senior Play, the Snake Dance, the Football Rally, and at many of our assemblies. Our band will be among our bright memories of "the hill."

The Music Department has sent several programs of soloists and ensembles to entertain for the Red Feather Fund and at various churches. Needham sent the band, soloists, and the Senior Quartet to Wellesley to present an exchange assembly. Both assemblies were entertaining and helpful in promoting co-operation and good sportsmanship. The band, chorus, ensembles, and soloists all took part in the Needham Spring Concert in May and

received high ratings in the Eastern Massachusetts Music Festival in Norwood.

We are proud of our band and choruses! We hope they will grow and succeed in future years as they have this year, so that many more students will enjoy music.

The girls' Glee Club, directed by Mr. Henry Heald, meets Friday during organization period. At this time one can hear the beautiful strains of *Liebestraum* drifting along the corridors. The girls sang in the Christmas Assembly, entertained the New Century Club, and took a large part in the graduation exercises.

That is not the Yale Glee Club practicing in the lunchroom every Friday. Those mellow voices belong to the Boys' Glee Club, directed by Mr. Harris. The boys sang in the Christmas Assembly and at the Junior High School with the Band and the Senior Quartet. The Senior Quartet, traditional on "the hill," has entertained at several banquets and assemblies. This year's quartet took its last bow at graduation.

In keeping with Needham High School itself, the Library Club is expanding. Among its seventeen members are Judy Swigart, president; Marcia Salamone, vice president; and Judy Lofquist, secretary. Under the direction of Miss Steele, our Librarian, the girls gain experience from their work in the Library which will be helpful in future reference work. The Club added to its schedule this year the planning of an effective bulletin board.

"Un-hand muh, villain!" and "Curfew shall not ring tonight!" can be distinguished from the milling of voices in the usually quiet library as the Drama Club takes over for another busy session during Monday organization period.

Since this organization was started in the High School, it has become increasingly popular. The members look forward to the informal meetings which are a relief from their studies. Nevertheless, they find themselves working hard and with enthusiasm. This year the club organized with a president, Marilyn

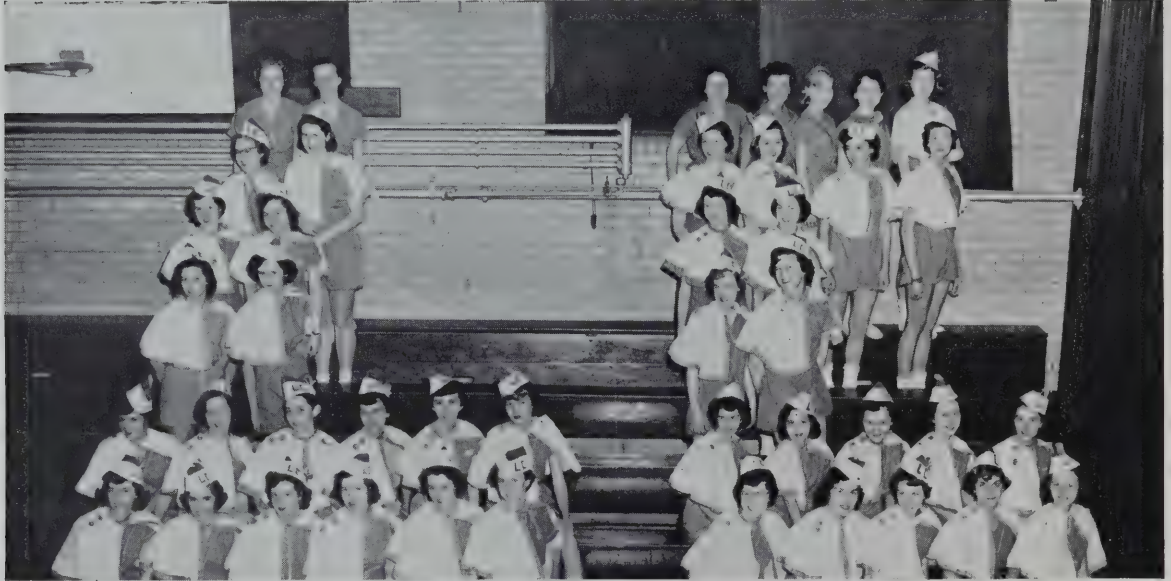

Antoni, and a secretary, Shirley Kimber. *The Mad Breakfast* and *Hearts and Flowers* were presented in assemblies. The Drama Club not only presents plays, but its members also are called upon to take part in special assemblies.

The Audio - Visual Club, under the direction of Mr. Protheroe, has forty seven student members this year who were interested in learning the technique of the motion picture projection and in gaining some valuable experience in the work itself.

Weekly meetings are held during the early part of the year, and instructions are given in maintenance and use of projectors. As the year progresses, monthly refresher courses are sufficient. Projectionist certificates are awarded to members who demonstrate technical proficiency.

The members of the club use the training they have acquired in audio - visual education by assembling apparatus and projecting films in the classrooms.

Miss Carroll's Modern Dance group this year consists of about forty-five girls who meet every Friday during organization period. They have been concentrating principally on basic techniques in order to be able to create their own dances. A demonstration of some of their dances was given for the parents as part of a "Parents' Night" program in November. The girls in the Modern Dance group learn to recognize the different kinds of music and to develop a sense of rhythm. Everyone who has taken Modern Dancing appreciates the opportunity for achieving grace and rhythm. Miss Carroll certainly deserves a great deal of credit for devoting her time to this activity and to preparation for the Dance Demonstration held on March 26.

Instead of the usual Leaders' Club, this year an Apparatus Club was formed under the direction of Mr. Claxton. The purpose of the

club is to give each member experience in his individual speciality.

The boys in the club played a major part in the Gym Meet on March 27. They performed as a group and individually, and assisted Mr. Claxton in conducting the meet. It is hoped that from this group the nucleus of a gym team will be organized.

This year the Girls' Leaders Club is composed of forty-six girls from the Sophomore, Junior, and Senior classes. The club is directed by Miss Carroll with the help of Nancy Ballantyne and the four squad leaders, Linda Hitt, Constance Dimock, Edith Gray, and Marcia Salamone. To be a member of the club, a girl must have an interest in sports, as well as the ability to be a leader and a good school citizen. She is expected to take over the gym class in Miss Carroll's absence and to help with after-school sports.

Though a record of three wins and seven losses is not too impressive, factors other than victories and defeats showed that the 1952 football season was successful.

On September 3rd the coaching staff, consisting of Head Coach Mike DeFazio, Line Coach Claire Curtin, and Backfield Coach Russ Johnston, called the squad out for the first practice. The team went through its first two games undefeated, but in the third game the boys were upset by Concord in a tight 7-6 game. The rest of the season was spent recovering from the Concord game.

There were many highlights and features of the 1952 season. Among these were Anderson's blazing speed; victories over Norwood,

Canton and Walpole; Cardinali's brilliant long runs against Concord; the close one at Natick; the romp at Walpole; Coburn's passing against Framingham; Hooper's place-kicking; Nick's passing; Wally's running; the top-notch line-play; and the excellent team spirit which prevailed all season.

Though Needham racked up only 91 points during the season, Walter Cardinali tallied more than a third of them, scoring 36.

Congratulations should go to all members of the team who proved that even though a team doesn't have a winning season, it will fight until the last gun is sounded. Congratulations go to Co-Captains Ed Eastman and Walt Cardinali, who did more than their share to hold the team together.

"We want the champs!" was the cry which spread throughout the stands, throughout the school, throughout the town. We got the champs! Never before has Needham had such an outstanding basketball team. Never before has a team in the Bay State League gone through a complete season undefeated. Led by captains Gracey, Nickerson, and Twigg, the team piled up a season's record of 18 wins and 2 losses.

Due credit should go to Coach Johnston who instilled in the boys an undying spirit and a will to win unsurpassed by any other team in the entire state.

Charlie Twigg and Fred Barton were elected to the Bay State Tournament All-Star Team. Charlie and Colin Gracey were also honored by nominations to the Tech Tournament All-Star Team. They are the first Needham players ever to receive the All-Star Tech Tournament award.

To Richard Kozacko, "Boy Manager of the Year," and Dave Lindsay goes due credit for their part on the championship team.

The championship which was proudly

attained was a team effort, and Needham will always be proud of its '53 team. Hail the Champs!

# HOCKEY

(1st row left to right) F. Keith, R. Byrnes, P. Lynch (Co-capt.), W. Gehling, D. Thomas (Co-capt.), G. Lenz, M. Wenham.  
 (2nd row left to right) J. Waitkunas, J. Pelletier, D. Cooke, R. Barraclough, R. Morrison, H. Duvall, R. Lowden, R. Terhune, Coach Pelletier.  
 (3rd row left to right) C. Keith (Manager), A. Trowbridge, C. Hunt, J. Trudo, F. Dodge, R. Flanagan, S. Vangness.

With Paul Lynch and Don Thomas leading the way, the hockey team completed a highly successful season with a record of five wins, four losses, and a tie. The most outstanding triumph of the season came when a fired-up Needham sextet downed the state champions, Walpole, 3 to 2.

Lynch was center of the first line which featured wings Forbes Keith and Mark Wenham. Thomas and Lenz played excellent defense. The stalwart in the nets this year was Bill Gehling whose fine play saved and won many a game.

At the end of the season Don Thomas and Forbes Keith were elected to the Bay State League All Stars. Forbes was third in scoring

in the entire league with 22 points; and Don was, without a doubt, the best defenseman in the league.

Dick Morrison and Richie Burns, along with alternates Harry Duval, Rober Barraclough, and Bob Terhune, comprised the second line, which played fine hockey throughout the year.

Special recognition also goes to Coach Pelletier, who, along with doing a fine job in coaching, rose early every Wednesday morning to accompany the boys to their four A.M. practices.

The boys ended up in third place; throughout the season they played hard, hustled hard, and had the spirit of champions.

# WRESTLING

 (3rd row left to right) A. Moulton, W. Benson, Coach De Fazio, J. Alden, P. Vincent.

Led by Captains Chamberlain and Eastman, the wrestling team fared well against all competition and completed a successful season with a record of four wins and three defeats.

"The team," in the words of Coach DeFazio, "had never before been given such support by the student body."

The team deserved all the support given them and, with a few breaks in their favor, could have had an even better season. As it was, the grapplers placed fourth in all of New England. Ed Eastman won the heavyweight crown, and Ralph Chamberlain was runner-up in his division. Bob Cruickshank also placed fourth in the 137-pound class.

Managers Gale Rinker and Alan Moulton

deserve special acclaim for the fine job each did in making the season a successful one.

Six under-classmen were first team performers and did well against more experienced competition. With a year's experience behind them, these boys are bright prospects for next year.

Again the girls' varsity squad, captained by Virginia Wallis, had a rather discouraging season with six losses and one tie. The squad may not have come through on the fancy plays, but sportsmanship excelled throughout every game.

The Junior varsity squad showed great promise for next year by winning two games, tying two, and losing only one.

## "Take a tip from me"

"For ambitious young women, secretarial training is the Open Sesame to business opportunity. When I graduated from high school I wanted a TV job—but how to get it? Katie Gibbs came to my rescue! With Gibbs secretarial training I immediately found my dream job—secretary to a TV producer—and I love every minute of it!"

Outstanding training for career-minded high school graduates. One and Two Year Courses. Five-school placement. Write Enrollment Committee for "GIBBS GIRLS AT WORK."
